Blockchain: BNB Smart Chain (BEP-20)

---

## 1. Introduction

Cockroach Janta Party (CJP) is a community-powered meme token built on BNB Smart Chain with a survival-first philosophy.

Inspired by the resilience of the cockroach — one of the toughest surviving species on Earth — CJP represents strength, persistence, and decentralized community power in the crypto ecosystem.

CJP combines:

- Meme culture
- Community incentives
- Airdrop distribution
- Referral rewards
- Social growth mechanisms
- Fast BEP-20 transactions

The project focuses on creating a fun, viral, and highly active ecosystem while maintaining scalable token distribution and community engagement.

---

## 2. Vision

The vision of CJP is to become a large-scale decentralized meme community where users are rewarded for participation, promotion, and ecosystem growth.

Our goal is to build:

- A strong meme identity
  - A loyal community
  - Viral social engagement
  - Sustainable token distribution
  - Community-driven expansion
- 

## 3. Core Features

### 3.1 BEP-20 Infrastructure

CJP is deployed on BNB Smart Chain for:

- Low transaction fees
- Fast confirmations
- High wallet compatibility
- Large DeFi ecosystem support

Supported wallets:

- MetaMask
  - Trust Wallet
  - WalletConnect-compatible wallets
- 

### 3.2 Community Airdrop System

CJP uses a tier-based airdrop distribution model.

Users must:

- Follow official social accounts
- Join Telegram group
- Join Telegram channel
- Verify Telegram membership
- Connect wallet
- Claim tokens

This system helps prevent abuse while increasing organic community growth.

---

## 3.3 Telegram Verification System

The airdrop system includes Telegram verification using a dedicated verification bot.

Verification process:

1. User opens verification bot
2. Bot generates and validates verification session
3. Bot checks:
  - Telegram group membership
  - Telegram channel membership
4. Website unlocks wallet connection after successful verification

Benefits:

- Prevents fake claims
  - Prevents automated abuse
  - Improves community quality
- 

## 3.4 Referral Program

CJP includes a referral reward mechanism.

Features:

- Unique referral links
- Referral tracking
- Community-driven growth
- Bonus reward distribution

Referral reward:

- 5% bonus on successful referred claims
- 

# 4. Tokenomics

## Token Name

Cockroach Janta Party

## Symbol

CJP

## Network

BNB Smart Chain (BEP-20)

## Total Supply

1,000,000,000 CJP

---

## Initial Distribution

Allocation	Percentage
Airdrop Pool	10%
Liquidity	45%
Marketing	10%
Ecosystem Growth	10%
Team & Development	10%
Reserve	15%

---

## 5. Airdrop Distribution Model

The airdrop reward decreases as participation increases.

User Range	Reward
First 1000 users	100,000 CJP

Users 80,000 CJP  
1001–2000

Users 50,000 CJP  
2001–5000

Above 5000 25,000 CJP

This model encourages early participation and fair distribution.

---

## 6. Security

CJP prioritizes ecosystem security.

Security features:

- Server-side claim validation
- MongoDB claim tracking
- Wallet-based anti-spam protection
- Telegram verification
- Rate limiting
- One claim per wallet
- Backend-controlled token distribution

Private keys are never exposed to frontend users.

---

## 7. Anti-Abuse Protection

To maintain fairness:

- Duplicate wallet claims are blocked
  - Telegram membership is verified
  - Referral abuse is monitored
  - Rate limits are enforced
  - Backend validation is mandatory
-

## 8. Ecosystem Expansion

Future plans include:

- Meme campaigns
  - Community governance
  - NFT collections
  - Staking systems
  - Exchange listings
  - Community rewards
  - Viral referral campaigns
- 

## 9. Roadmap

### Phase 1

- Token deployment
- Website launch
- Telegram community setup
- Airdrop system launch

### Phase 2

- Referral system launch
- Viral marketing campaigns
- Community expansion
- Influencer partnerships

### Phase 3

- Exchange listings
- NFT ecosystem
- Staking platform
- Community governance

### Phase 4

- Cross-platform ecosystem expansion
  - Utility integrations
  - Long-term ecosystem growth
- 

## 10. Community Philosophy

CJP is designed around the idea that strong communities survive market cycles.

The Cockroach symbolizes:

- Survival
- Adaptability
- Persistence
- Community strength

The project embraces meme culture while building scalable community engagement systems.

---

## 11. Disclaimer

CJP is a community meme token created for ecosystem participation and entertainment purposes.

Cryptocurrency markets are volatile. Users should conduct their own research before participating.
